

## ExtraEnergy Pedelec Awards

**On March 8th 2012, the Award Ceremony of the ExtraEnergy Pedelec Test 2011/12 took place in the Nangang Exhibition Hall in Taipei. The Ceremony was organized in cooperation with CYCLING & HEALTH TECH INDUSTRY R&D CENTER. 11 Pedelec Trophies were handed out to high-ranking members of the participating manufacturers.**

Group photo (left to right): Matthias Seidler (CEO Derby Cycle), Rainer Gerdes (Head of marketing Cycle Union GmbH), Stephan Hahn (CEO deVELOPMENT engineering GmbH), Lars Malmberg (R&D Engineer BULLITT), Mikel Quintana (BH BIKES), Georg Honkomp (President of ZEG Zweirad-Einkaufs-Genossenschaft eG), Sebastian Plog (CEO ExtraEnergy Test GmbH), Hannes Neupert (President ExtraEnergy e.V.), Francois Liang (General Manager of CYCLING & HEALTH TECH INDUSTRY R&D CENTER), PhD Mo-Hua Yang (President TD HiTech Energy Inc.), Johannes Doerndorfer (started the test with ExtraEnergy 20 years ago)

The winner of each ExtraEnergy Test product category can help consumers to find out which pedelec fits most to their needs. Further information, e.g. range and performance data, will help to find out more and can be read in the E-Bike Magazine which will be published on March 22nd by the Delius Klasing publishing house.

In spring at the earliest, the ExtraEnergy Magazine with the latest test results will be handed out exclusively to every Test IT Show visitor.

Interested parties find all Test IT Show event dates at [www.TestITShow.org](http://www.TestITShow.org)

Don't miss it!
