

## LEV Conference and E-Bike Award 2014

### Information and registration for media partners

#### E-Bike Award

The E-Bike Award is initiated by ExtraEnergy e.V. and RWE Deutschland AG. It is open to local councils, tourism organizations and other public institutions around Germany. Those concepts that convince through their creativity and innovative power, major benefits to the general public and sustainable effects will win prize money of 5,000 € (1st place), 2,000 € (2nd place) or 1,000 € (3rd place).

The award ceremony will take place on 2 October 2014 within the bike fair INTERMOT at the Cologne Exhibition Centre.

#### LEV Conference

The biannual LEV Conference is the biggest international meeting of the LEV industry. Here is where decision makers from all over the world meet. Since 1995, manufacturers, dealers, R&D professionals, municipal decision makers, tourism professionals and specialized press use the event to get the latest information on the Light-Electric-Vehicle (LEV) industry.

On 3 October 2014, the LEV Conference invites to transfer knowledge around pedelec and e-bike infrastructure, e.g. regulatory framework and best practice examples on rental schemes and charging infrastructure.
