

## Invitation LEV Conference 2014

### Information and Registration

The annual LEV Conference is the biggest international meeting of the Light Electric Vehicle (LEV) industry. Here is where decision makers from all over the world meet.

Since 1995, manufacturers, dealers, R&D professionals, municipal decision makers, tourism professionals and specialized press use the event to get the latest information on the LEV industry.

**The LEV Conference takes place on 2 and 3 October 2014, at INTERMOT (International Motorcycle, Scooter and Bicycle fair) in Cologne, Germany.**

On 2 October 2014, the nominated projects of the „E-Bike Award 2014“ will be honoured. Finally, the „E-Bike Award 2014“ will be awarded to the best nominated projects.

On 3 October 2014, LEV Conference participants will get information on regulatory framework around LEV infrastructure with best practice examples like rental and charging infrastructure technologies.

### Early Booking Discount

The participation fee of the LEV Conference is 450,00 €. If you register until 1 May 2014, the reduced participation fee is 280,00 € and 380,00 € if you register until 12 September 2014.
